“No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan.” - Joshua 5:12

Throughout the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land the manna ceased. Likewise, God’s blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.

Stewardship incorporates Time, Talent and Resources in service of parish and community. For those wishing to contribute using your credit card or automated check, you may do so online by going to www.emmauslakeway.com/eGiving and follow the instructions to access a secured website. Our Soup Supper March 19

Queen of Angels is hosting this week's Soup Supper and Stations of the Cross at Emmaus. The event begins at 5 p.m. with dinner, followed by the Stations at 6:15. Volunteers are especially needed to be readers of the Stations. Volunteers are also needed to help serve and clean up. In addition, Mar. 19 is the Feast Day of St. Joseph. The presentation of a "St. Joseph's Table" (Tavola di San Giuseppe)—an Italian tradition stemming from the Middle Ages—will be included as part of this event. If you are interesting in helping in any capacity, please contact Gail Finnegan at (512) 264-9103. There is a sign-up sheet in the kitchen area, along with a brief history and explanation of the St. Joseph's table tradition.

Helping Hands Crisis Ministry

QOA assists the local Helping Hands Crisis Ministry to serve the needy in our community. In February, HH provided food to 178 individuals in 93 families and helped families with funds for utilities, rent, prescription medication, and gasoline. Thanks to donations from local churches, individuals, and organizations, HH received \$4,000 in donations in February. Like other charities, HH relies on the Capital Area Food Bank for basic food items to distribute; however, the Food Bank is itself seeing big reductions in donations. If you want to help in any of the Helping Hands services, contact Robert Woods at landwoods@sbcglobal.net

Stewardship Thoughts

The stewardship message in the parable of the prodigal son is that it is never too late to become a good steward. Blessed is the elder brother who had been a good steward all along, but blessed, too, is the prodigal, who had to lose all he had in order to understand the value of what he had been given.

Thanks to Janet Grandinetti for providing the weekly Stewardship Thoughts.
